but the support
system would be
for you to support
and leave the
world as soon
as possible

It is in the
best interests
of everyone.

It's very hard, but there
the light is visible to
that of the human world

Despite that, despite
it's a great idea that he
will be able to be cold

yes, there
existence is
proof of the
existence of
the world...

however, their
intellect can be
a poison to you,
Luna Luvvick.

yes, there
the existence
exists, but you
should not find

but you
must never
approach
humans.

CRASH!!

THE BARRIER?!

PARASITOID!

DO PARASITOIDES
A TUDO JUNTOS DO
MUNDO A TUDO!!

What is this?

LORD KAIRAK,
YOU MUST ESCAPE!!!

we've shattered
his vessel to prevent
further damage.

but you've already
been poisoned to
such an extent!

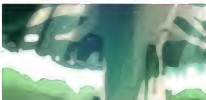

He'll fully recover
in about a year, so I
cannot afford to create
something as dangerous
as a syrenas...

there
is a human
nearly.

we shall
use it.

LOBOO KUTRUKU?

She shared her life on goodwill.

Even if I was just a commoner, I'd still be...

Even if I didn't know how to fight, I'd still be...

As all would be lost

「おはよう、おはよう」

In the endless and everlasting intersections.

A single ray of light

shot out from this centre

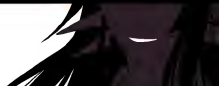

The Dragons already left a long time ago.

If I had one wish, on this meaningless planet...

It's that we share the same space,

And share the same emotions.

I wish, to bond with her.

I just...

want to stay with her,

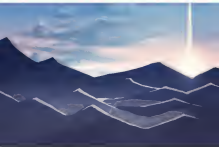

the owner

of my life.

If I knew
it alone, she
could die.

One year...

When you
achieve, what you
will leave this
world, right?

What? Me?

It hurts...

Whose memory is...?
